

Villa Scati events and weddings 2022

Villa Scati born from 'careful and respectful restoration of a great noble villa, which belonged to the Marquis Scati, dipped in a beautiful park is situated between the hills of Monferrato, 3.5 km from Acqui Terme.

Inside the villa offers on the ground floor, beautiful rooms with magnificent nineteenth-century frescoed ceilings, basements, great rooms with vaulted brick.

The total capacity of the space available is approximately 160 seats in the cellars and up to 120 seats in the hall on the ground floor (Sala Costanza), these environments are ideal for weddings and events in general. The pavilion in the courtyard can hold up to 220 people, all other outdoor spaces can be used thanks to a series of furniture covers and umbrellas that allow you to enjoy the beautiful park of old trees.

The dining rooms are all air conditioned and equipped with air exchange, the kitchens are well equipped and the rooms are furnished with chairs and tables in the number and arrangement variable, depending on your requirements.

The outdoor pavilion is equipped with side locks that allow the transparent use even in adverse weather conditions, air services are available to wrought iron tables with chairs fitted with ecru cushions.

The villa can accommodate, apartments and bed and breakfast rooms, up to 40/45 people, also a bridal suite used exclusively for guests to bring the bride and groom for their wedding night. (For larger groups we can book rooms in the best hotels in Acqui Terme ,4 km)

We can offer also the services of professionals in the industry and Scenes Productions, able to reproduce the original environments of classic taste, modern, and the warm atmosphere ethnic and exotic connotations, in order to give your party a personal touch and unique.

All this is thanks, in addition to a long experience in the field of furniture, the use of various objects, furniture and furnishings, but also for elegant chair covers, candles of all kinds, in various types of torches, special decorations floral, ...

These professionals over the design, supply of material and equipment and the performance of work for the construction of scenic decorations and fittings, may, upon request, take care of Supervision and Assistance during your wedding, because **EVERYTHING IS AS YOU WISH..**
